

FIGHTING THE WAR ON PAPER

Fighting the war on paper? Enter the cavalry in the form of *Globodox* and *Sohodox* for large and small law firms. These software packages provide:

- state of the art and comprehensive electronic filing systems;
- intuitive document filing in your e-filing system;
- powerful search facilities to enable you to find any document in seconds;
- efficient document retrieval, irrespective of the age or whereabouts of the hardcopy;
- reliable off-site backup to ensure business continuity in the event of an in-house archive or IT disaster.

Globodox and *Sohodox* offer new technology in paper and file management which will pay for itself over and over.
